DECORATION

LET'S MAKE YOUR LOGO LOOK GREAT

No matter what kind of product you need –
we've got a decoration method to make your
logo look great.

APPAREL & NON-APPAREL

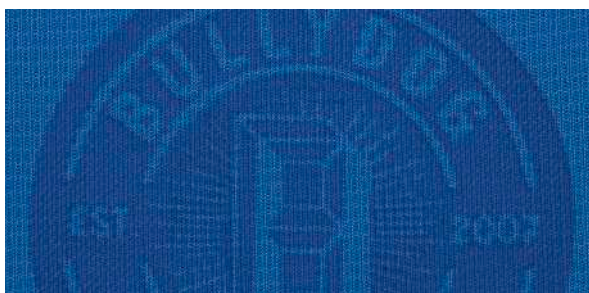

HXD

Creates a subtle pop, giving your logo a whole new dimension.

EMBROIDERY

Thread colors to match any logo, offering a classic look at a great price.

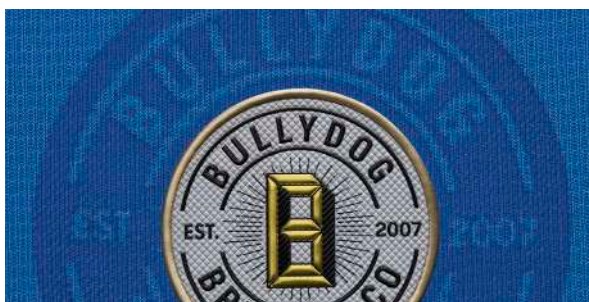

LASER & LASER PLUS

Give your logo a clean, polished look. For apparel, laser is the only decoration method that can be applied over zippers and seams.

DEBOSS

Heat-press your logo for a subtle tone-on-tone effect. For apparel, deboss won't compromise the integrity of a waterproof garment.

MIXED MEDIA

Create a unique look by combining two methods, with laser underneath an HXD, embroidery, transfer or PhotoGrafixx overlay.

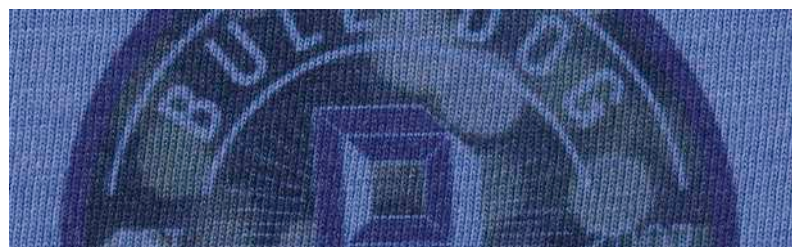

APPAREL

TRUE EDGE™ TRANSFER

A high-precision heat-transfer process that can reproduce freestanding text as small as 8-point font.

INFUSION

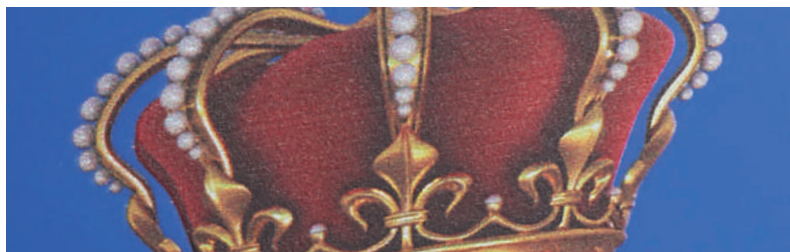

Seamlessly fuses your logo with the fabric for breathable branding that's undetectable to the touch.

LIGHT UP YOUR LOGO IN A WHOLE NEW WAY

Laser etch your logo to illuminate it with an LED backlight.

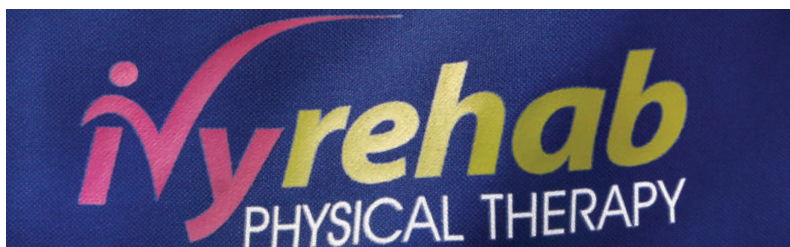

NON-APPAREL

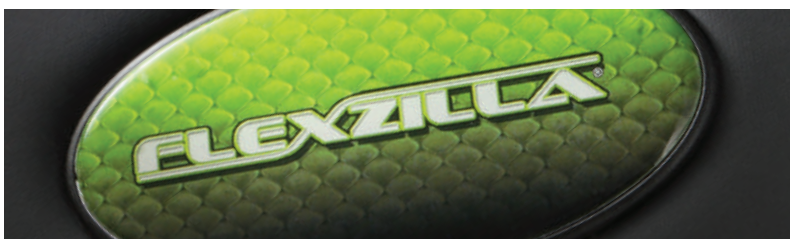

PHOTOGRAFIXX

This four-color process brings your brand to life with digital reproduction of your logo in razor-sharp detail.

COLOR IMPRINT

Available in single- or multi-color, color imprint is a cost-effective way to display your logo with a silkscreen or transfer.

EPOXY DOME

Add dimension by placing your one-color, multi-color or four-color logo under a clear polyurethane dome.

COLOR STAMP / COLOR FILL

Enhance a one-color logo with a color fill or metallic color stamp. (Color fill available only on vinyl patches.)

LABELING

Use a scratch-resistant and waterproof label on items like lip balms and sanitizers. And with variable data, you can create a unique promotion with individually numbered labels.

SUBLIMATION

A permanent heat-transfer method that won't crack or peel.

OUR BRANDS

SO IT'S **BRANDS** YOU WANT?

Makes sense. Because great retail brands enhance the perception of your own brand – not to mention the excellent product quality. And nobody's got more of the retail brands people want.
