RE:CYCLED COLLECTION

GREAT STYLE WHILE SAVING THE PLANET.

We're tackling environmental issues from all angles, in-style. Designed in urban-cool colors, our Re:cycled Collection brings a sustainable angle to sleek design, making green choices accessible to the masses. Each item in this collection is built with city-functionality in mind, and offers an uncompromising style. Here's to putting a little weight of the world on our shoulders, and saving the Earth one bag at a time.

Solo New York® has partnered with the National Forest Foundation to help restore the national forests. The foundation will plant a tree with the sale of each Re:cycled bag.
